

MINUTES OF THE HOLBROOK PARISH COUNCIL MEETING HELD ON WEDNESDAY 27 NOVEMBER 2013 AT 7.15.p.m. AT THE “ARKWRIGHT” PARISH HALL, MOORSIDE LANE, HOLBROOK

PRESENT:- Councillors Banks Biggin (Chairman)
Mrs. Brocklehurst Horrobin
Massey Ms. Morral
Rhodes
and P.C. Neil Hopwell

2013/11/1 APOLOGIES:- Councillors Bull and Holden

2013/11/2 DECLARATIONS OF MEMBERS INTERESTS:- Cllrs. Biggin and Massey declared a Personal Interest in agenda items 7a 6 and 8a (iv) as Trustees of HAHVCC. They remained in the meeting but took no part in the discussion.

2013/11/3 PUBLIC SPEAKING:- POLICE – P.C. Neil Hopwood reported a 3.8% reduction in anti-social behaviour in the area. Cllr. Rhodes had attended the recent KINS meeting at Denby where concern had been expressed regarding the speed of traffic on all roads in the area. Car parking on Moorside Lane had been discussed. P.C. Neil Hopwell reported that Holbrook School had responded to contracts between the Police and Parents. **HAHVCC** – Cllr. Massey reported that a new planning application had been submitted to A.V.B.C. and an article prepared for the village magazine. The W.I. is organising a petition to be submitted to A.V.B.C. supporting the new village hall and parishioners are encouraged to contact A.V.B.C. planning in support. To refurbish the existing hall would cost approximately £650,000 as opposed to £560,000 for a new build. A parishioner remarked that the hall does need replacing. The new plans would create safer access and increased car parking.

2013/11/4 MINUTES OF THE PARISH COUNCIL MEETING HELD ON 30 OCTOBER 2013:- Proposed Cllr. Massey, seconded Cllr. Rhodes, unanimously agreed.

2013/11/5 CHAIRMAN’S ANNOUNCEMENTS:- As instructed at the last meeting the Clerk had written to the editorial team of the village magazine asking why they had not published the Parish Council report in the October/November issue, no reply received to date. To be put on the agenda for the next meeting. The Chairman had informed MS Accountancy Services of the adjustment to the salary of the Clerk. The Chairman reminded the Councillors of the need to keep their Members’ Interests forms updated.

2013/11/6 REPORT OF THE CLERK:-

a) **Mellors Lane Park Improvements – Barrier** – access for double buggy is now possible. **No Parking signs** – Cllr. Horrobin had brought the signs to the meeting - Chairman and Cllr. Rhodes to erect **Action Cllrs. Biggin & Rhodes.**

Fencing – Chris Beale (A.V.B.C.) had visited the Park and he felt there is no need to worry about the wire in the southeast corner being cut as it is near to a bed of brambles and access is impossible. If further problems arise in the future he is to be contacted again.

- b) **“Gorse Piece”** – nothing to report – to be taken off the agenda.
- c) **War Memorial** – repair almost completed. Information from the War Memorial Trust had been put in circulation folder.
- d) **Potterell Charity** – Nothing to report.
- e) **Footpaths, hedges and verges – Portway footpath** has been cleared by the D.C.C. – thanks expressed to D.C.C. Cllr. K. Buttery.

Litter bin at entrance to Brown’s Lane – Cllr. Bull still pursuing - **Action Cllr. Bull.**

Stile near to Daypark Cottage – narrow – Chairman to take up with D.C.C.

Footpath’s Officer.

Action – The Chairman.

Poppies W.W.1. commemoration – Clerk to find out when and where seeds are available. Seeds to be planted on Makeney Road verge near to the wall, opposite the “Spotted Cow”, “Gorse Piece” and the old pond area on Pond Road. Autistic Centre may wish to help with planting

Action – The Clerk

f) **Traffic Action Plan** – Cllrs Mrs. Brocklehurst and Rhodes had met with D.C.C. Cllr. K. Buttery and Mike Hawkins (D.C.C. Project Eng.Traffic and Safety) – report received from Mike Hawkins stated - Portway - The existing speed restriction is 30 mph within the residential area increasing to 40mph as the development density diminishes lower down. This is appropriate to the route and it is not proposed that this is changed. P.C. Neil Hopwell to arrange speed check.

Pedestrian safety was discussed and it was noted that a short section of Portway did not have a footway. It was however accepted that the carriageway width is too narrow to accommodate a new path. Pedestrian warning signs are in place though concern was raised concerning the speed of traffic approaching the blind pinch-point. It was agreed that an additional slow marking would be useful in advance of this point. Clerk to follow up with Mike Hawkins

Action – The Clerk

Access to residential properties was discussed and it was confirmed that if individual residents have any specific concerns they can, at their own expense, erect a warning sign within either their own or a neighbours premises. Cllr. Mrs. Brocklehurst in conversation with Gerald Eley.

I note from the Parish Council that they are supportive of vehicle activated signs, I did however explain that these signs are now subject to Council policy. Portway does not meet the new criteria - in fact no road within the parish does. I have attached the policy for information.

The issue of congestion outside the Autism Centre was discussed and it was confirmed that this is difficult to legislate for. If this is resulting in regular overrunning of the footways, as suggested, this is a matter that will need to be addressed through the Police.

Mellors Lane –the 30mph speed restriction terminal signs are sited in the correct position at the start of the development. Outside the 30mph restriction the carriageway is not fronted by any development and the national speed restriction is therefore appropriate.

An improvement scheme has now been completed to provide adequate pedestrian facilities from the village to the recreation area. No further improvements are proposed.

Makeney Road – records reveal that the area of concern does not display a recurring road safety problem. The bend at the entrance to the Hall does however indicate that the carriageway, which was previously surface dressed, is becoming worn leading to a number of collisions. To address this a scheme to apply anti-skid surfacing has now been ordered. – Temporary Road Closure Notice has been received for one day between 16 and 20 December 2013 for application of high-friction surfacing.

The existing national speed restriction has been questioned however both Makeney Road and Mellors Lane are not fronted by sufficient development to change its rural character. It is not therefore proposed to promote any changes.

Finally, at the meeting the issue of HGVs was raised. I can now confirm that Holbrook is protected by an area wide weight restriction. It is likely therefore that the vehicles witnessed within the area are carrying out deliveries in which case they have legitimate access. If however the Parish Council continue to raise concern they should report any such transgressions to Kim.percival@derbyshire.gov.uk in our Trading Standards Team.

Two unlit street lights on Makeney Road have been reported to the D.C.C.

g) **Parish Council vacancy** – as no call for an election had been received the vacancy is to be filled by co-option. Appropriate notices to be displayed with a closing date of 20 December 2013. **Action – The Clerk**
