Subject: ENF/2015/0361 - HIGHFIELD FARM, HOLBROOK

Fao: Hannah Owen,

Hi Hannah,

Further to your recent enquiry regarding the above site, I can confirm that I have contacted the Strutt Estate and have today had a site meeting. I understand that it is their intention to submit a Planning Application in the near future, for the conversion of the barns to residential. You may be aware that a similar application was approved in 2002 but never implemented. There appears to be finances in place to carry out these works, which will no doubt include the maintenance/improvement of the buildings.

I trust that this information is of assistance to you.

Many Thanks,

Stephen Bate BSc(Hons) MRTPI | Planning Enforcement Officer
